The simulation fake carbon

Product Code: 000100000-01
Weight: 0.30kg
Dimensions: 50.00cm x 30.00cm x 4.00cm

Description

1. Strong plasticity: resin material has strong molding ability,applications. . 2. Decorative: fine material, resin material, excellent quality, can be designed according to requirements, style, color or size. 3. Durability: resin material surface finish is high, the product has good flexibility, corrosion resistance, high and low temperature resistance, aging resistance, long service life.
