All kinds of Hanging fireplace smoke pipe accessories

Installation pipe direction

Notes for quotation:

1. The customer should measure and provide the height from the ground to the cement floor, the transverse distance from the cement floor to the outer wall, and the distance from the hole of the outer wall to the roof. There are three basic sizes.

2. Install a wood-burning fireplace, it is necessary to learn in advance whether the smoke pipe can be used to exhaust the exhaust gas at home and in which direction should the pipe toward.
